The trial date in this case is set for April 15, 2008, and the Court set a status date of November 19, 2007, at 11 a.m. Because the government has a conflict with the November 19, 2007, date, and because the parties currently have no matters to address with the Court, the parties jointly ask the Court to vacate the November 19 hearing and reset it for December 10, 2007, which is the status date in the civil case. The civil hearing is at 4 p.m. The parties are can appear either at 3:30 p.m. or at the Court's regular calendar at 11 a.m.
